  - (c) ☐ A reply was received on \_\_\_\_\_ but it does not constitute a proper reply, or a bona fide attempt at a proper reply, to the non-final rejection. See 37 CFR 1.85(a) and 1.111. (See explanation in box 7 below).

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

**Item 7 - Other reasons for holding abandonment:**

During an interview with applicant's attorney, Eugene Oak, on January 12, 2009, it was noted that no amendment has been received in response to the last final rejection, mailed 07/07/2008. Applicant's representative noted that no response has been filed. The three-month shortened statutory period for response expired 10/07/2008. Moreover, the full six-month statutory period for response ended 01/07/2009. No request for an extension of time has been received. No fees relating to any petitions for extension of time have been received. Accordingly, this application is ABANDONED.

During the 01/12/2009 interview, the applicant's representative inquired about submitting a request for withdrawal as attorney or agent of record. Mr. Oak noted that he has been unable to reach the inventor of record for further communication with respect to the application. Mr. Oak was informed that matters relating to any withdrawal of the attorney or agent of record in an application are acted on by the Director and/or his designated staff. Applicant is strongly encouraged to review the policy set forth for withdrawal of attorney or agent, as set forth in 37 CFR §1.36, especially considering that the statutory time period for response has already expired. See the further explanation in MPEP §402.06.
